## Introducing Tina Ghorban, Managing Director, Oncology Advantage

**Tina Ghorban**

Please join us in welcoming Tina Ghorban as the head of Oncology Advantage for Advantage Healthcare. Tina's client-side expertise in market analytics, strategic positioning, and commercial assessments includes not only oncology and rare diseases, but also general medicine categories.

Tina's strong experience in oncology and rare diseases will support Advantage Healthcare's core focus on new products and business development support, including the company's rapid response services.

Tina joins the Advantage Healthcare team following almost 15 years at multinational large, midsized, and small pharmaceutical companies. She holds a Bachelor of Science degree in Biomedical Engineering and an MBA in Finance from the A.B. Freeman School of Business at Tulane University.

She can meet your deadlines and demands in the fast-paced world of in-licensing and out-licensing, as well as delve into the details for new product launches, strategic challenges, and evaluation of lifecycle management opportunities. Please click below to contact Tina for a more detailed briefing on the Oncology Advantage, or for input and support for your challenge.

**Welcome Tina and send any messages or requests to her here**
