

Welcome New Team Member

Welcome Tiffany Ahlers

Please join us in welcoming Tiffany Ahlers to Cello Health Advantage as Senior Vice President. Tiffany brings with her more than 20 years of experience in strategic marketing, market research, brand planning, and business development.

Her knowledge and experience encompass both the corporate and service sides of the business; she has strong and recent experience with in-office injectables and seasonal products, strongly complementing the skill set at Cello Health Advantage.

On the corporate side, Tiffany was most recently the Vice President, Marketing in the United States for Stallergenes Greer (formerly GREER® Laboratories), a fully integrated global biopharmaceutical company specializing in the diagnosis and treatment of allergies. In 2017, her team was awarded the PMS360 ELITE 100 for marketing teams that achieved notable success as a group.

We are thrilled to have Tiffany join us. If you would like to speak to or meet with her in person and hear more, please click below to send Tiffany a message.
